ARTS CAMPS

YMCA Art Camp offers a fun environment for young artists to explore new techniques and express their artistic talents. Campers will have the opportunity to participate in a variety of different art mediums during these week long sessions, which will also include a field trip to a local park or event.

Kids N' Clay

Find your inner artist. Campers will learn basic techniques of clay use from hand building to wheel throwing for some exciting creations. A trip to local parks will allow our young artists some outdoor inspiration.

Clay Creations & Nature Sculptures

What kind of creature can you make? We explore textures, hand building techniques, and glazing through the week. A trip to the zoo will inspire us to create our own creature and nature sculptures.

Once Upon a time!

Just like a good fairy tale, this camp begins with 'Once Upon a Time'. Campers bring classic fairy tales to life with acting, art, music, and creative movement. There will be a final performance for friends and family on the last day.

Let's Play!

Theater techniques, non-competitive games and improvised silliness. Join us for this fun and exciting adventure into the world of theater! A trip to see Jack and the Beanstalk and an opportunity to show off our newfound theater skills are mere highlights of this action packed week.
